This facility offers conference rooms that can be divided into two or three separate spaces, allowing events to be tailored to their specific MICE objectives and number of participants. After your conference, you can unwind in Ogoto Onsen, renowned as a "Hot Spring for Beautiful Skin" due to its alkaline water quality, where you will make your skin feel noticeably smoother. In addition, Shiga Prefecture is rich in local produce and meats such as Omi beef and fish from Lake Biwa, making enjoying dishes made using local and seasonal ingredients an excellent way to relax from the fatigue of conferences or events.
