

11 Former Chikurin-in Temple

This is one of the satobo (lodges for retired monks) of Enryaku-ji Temple, featuring a nationally designated famous garden, two city-designated cultural property tea houses, and four pavilions on the premises. The main building and tea houses are equipped with a high-speed communication network for hybrid meetings, lectures, and various other events, making them versatile for different purposes.

Facilities	Area	Other
Main Building (2nd Floor)	30 tatami mats	20 people
Tea House	10.5 tatami mats	10 people
