

Convention Facilities (with Accommodation)

Biwako Hotel

The conference hall, with its 900m² area and 7-meter-high ceiling, can be used for a variety of gatherings, including large-scale ceremonies and international conferences, while the smaller hall overlooking Lake Biwa can be used for various situations such as conferences or trainings.

The conference hall is equipped with a luxurious chandelier depicting tens of thousands of migrating fish to create the feeling of being at the bottom of a lake, and can also be divided into separate rooms depending on the number of people in attendance or the purpose of your event.

Guests here can relax both body and soul by enjoying the magnificent view of Lake Biwa

from all lake-view rooms, and soaking away the fatigue of conferences in the natural hot spring "Ruri-no-yu".
